Haiku Light Kit

Aerofoil Finishes⁶

Hardware Finishes

¹ Optional downrod lengths packaged separately. Add 20mm for 2134mm diameter fans.

² Fan heights do not include the Haiku Light Kit.

³ Covered outdoor use only. Not suitable for salt air environments.

⁴ The precise fan weight will vary based on individual component weights and finishing.

⁵ Actual results of sound measurements in the field may vary due to sound reflective surfaces and environmental conditions.

⁶ Other finishes available upon special order. Cocoa aerofoils only available with black hardware.

Lead times may vary.

Warranty period and terms vary by country and application.
