With design that emboldens and airflow that awes, i6 brings comfort to your spaces in an industrial package.

ROBUST IN POWER, REFINED IN COMFORT

Comfort can look strong. Give your spaces the signature Big Ass Fans treatment with i6, the modern industrial fan made for your everyday spaces. Developed with our uncompromising standards for dynamic design and industrious performance, i6 offers you the industry’s best airflow in a contemporary package that’s adamant on quality, smooth in operation, and soothing to all.

- Refresh people with airflow that makes people feel up to 10 °F (6 °C) cooler
- Enhance your space’s aesthetic with contemporary, industrial-chic style
- Save up to 30% on energy costs with i6’s efficient performance

ENJOY i6 HERE:

- Residential and retail spaces of all sizes
- Restaurants, coffee shops, and breweries
- Offices, classrooms, lobbies, and halls
- Patios, recreational centers, and open-air venues

SLEEK AND STRONG

i6 is more than a pretty face: the powerful airflow from its premium-quality airfoils and virtually silent direct-drive motor deliver proven comfort for a space that looks great and feels even better. Slim, sturdy, and lightweight at only 34 pounds (15.4 kg) for the 60-inch (152 cm) diameter, i6 installs quickly and easily. Its standard and low-profile mounts connect to a typical fan junction box, with a flush-mount option for the 60-inch model.

Key Features

- Diameter options of 60, 72, and 84 inches (152, 183, and 213 cm)
- Direct-drive motor cools at a whisper level
- Automated SenseME maintains your preferred conditions
- Durably engineered for long life
- Weather-resistant outdoor model available
- Brighten your spaces with seamlessly integrated available LED kit
- Onboard occupancy sensor for convenience and efficiency
- Improve your aesthetic with color-customization
- Wi-Fi and mobile app control standard
