

Big Ass Light Bar

TECHNICAL SPECIFICATIONS

The Big Ass Light Bar provides versatile mobile task lighting whether you're under the hood, running a construction crew, or camping under the stars. This handheld light bar features a battery life of up to two days, and its adjustable brightness and wide-angle distribution offers ideal lighting for any job.

POWERFUL, PORTABLE, PERFECT

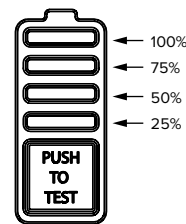

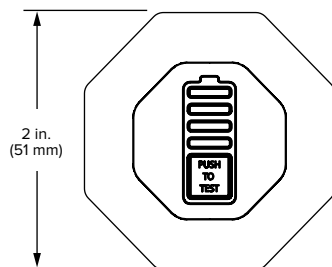

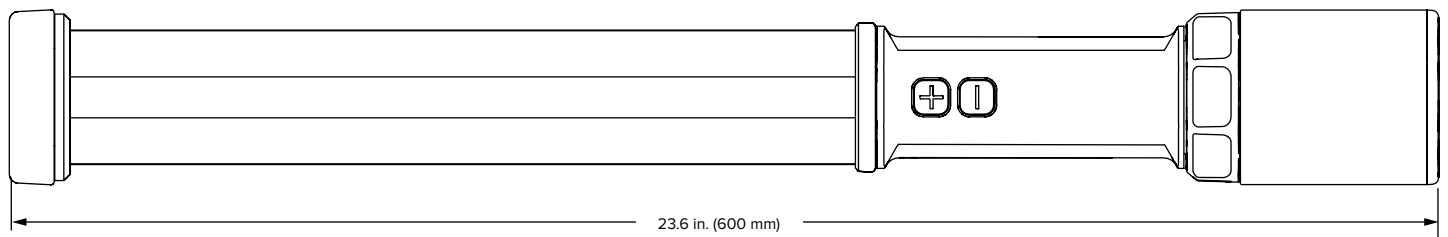

- **Applications** — The Big Ass Light Bar features super durable components for any tough job, from oil rigs to family campsites.
- **Brightness** — Six settings, from 80 to 5,000 lumens.
- **Design** — Octagonal shape for roll resistance with ergonomic handle and easy-to-reach buttons for changing brightness.
- **Components** — Battery, charger, and convenient carrying case included with each light bar.
- **Battery** — Removable 14.4-volt battery with charge indicator.
- **Environment** — Water- and chemical-resistant; protection against dust and oil.
- **Accessories** — Wall mount to secure light bar when charging and additional batteries.
