BIG ASS FANS WELCOMES ACI MECHANICAL & HVAC SALES TO THE FAMILY

LEXINGTON, KY - (February 18th, 2019) - The Big Ass Fans family continues to grow. We're excited to announce ACI Mechanical & HVAC Sales as the distributor of Big Ass Fans products for the design and construction market in the Northwest United States.

For more than 30 years, ACI has led the way in the Pacific Northwest as the premium vendor for heating, ventilating, air distribution and filtration equipment.

"ACI has exceeded customer needs in Oregon and Washington since 1985," says Lennie Rhoades, Big Ass Fans CEO. "As a company focused on offering the best in the business, we're excited to partner together and continue to provide superior solutions to clients for years to come."
